The Army has invaded!You're done here.The Urban Spaceland team made it simple to play the game at the same speed as the movies.Our goal was to produce a beautiful and easy to use game that allowed players to immerse themselves in a truly interactive experience. Use this review to learn why these films received multiple awards at film festivals around the world. However, the main gameplay difficulty is the necessity to navigate a labyrinth of obstacles and enemies while collecting precious resources for your empire. The game industry is a tight-knit community as each game developer is part of a team (producers, writers, artists, programmers, designers, etc.) depending on the company size. Whether you are playing a small indie game at home or the big games at your local arcade, the games you play provide gamers the opportunity to interact with other people. It is a part of our culture that gamers play each other's games; and the encouragement of playing alongside one another is something all gamers should seek. So don't be a stranger - "tell 'em about it" is our motto! The approach is one of inclusion, equality, and acceptance. Our struggle to create diversity started long before Gamergate. When we created The Urban Spaceland Game Designers to be truly diverse, we didn't have
