Hand of Midnight by Rebecca Cantrell Gambling and poker are the thing of nights and nights, until one day, you find your

life is caught up by the room card, and there's no escaping the game. For Aliyas Kezrakian, it's all come true. As a child, Aliyas would spend most of her days reading in the library, but while she's good at language, she has no patience for reading texts that seem dull and useless. But one day, after her last night of fun, her gaze lands on a picture of a young man with a gun in his hand, and she learns that he has a degree of power over her. That man is Emil Adi, and he claims to be her guardian. Aliyas is lured by Emil to play in the game they call Poker
