Step 1 In the morning, cut the top off a small paper cup. You can use it as is, or cut it down to make it more rounded. Then use the round part as a template to cut a new paper cup from a sheet of plain, unprinted paper. Step 2 Stick the two cups together, using tape, glue, etc. If you are using the template from Step 1, you may want to cut small tabs or cuts on the top of the templates to make them easier to close. Step 3 Cover the template with red ink. Then use a black marker to write your name on it. Step 4 Lift up the bottom of the cup and push the writing down inside the cup. Use tape, glue, etc. to seal the top. Make sure the name is facing the top.
