Download Plogue Chipsounds Unlocked - Series for VSTi, VST, AU, RTAS.What if what I do just isn't appropriate for companies in my industry? On one end of the spectrum I've tried clients who wanted what seemed like a predictable work flow, a set of best practices that I could follow. Once those clients were happy with their product and their ability to pursue future opportunities, they were gone. Unfortunately, those clients eventually found it hard to make good decisions for their own success and so had little to offer. On the other end of the spectrum I've worked with clients who truly were just starting out. They were interested in seeing what products they could produce and market, just to get the ball rolling. After completing a handful of projects, I would invariably get some type of an offer, but more often than not, those clients never grew into a strong company. Is this just a difference in timing, or does the standard work that I am offering (example: Drupal workflow, e-commerce product management, etc.) simply not work well for the clients that I
